THE BACKSIDE

HOW TO TELL IF YOU GO TO A REDNECK CHURCH:

When the pastor preaches on Jesus feeding the 5000, someone raises their hand to ask if the fish were bass or catfish.

When the pastor says, "I'd like Bubba to help with the offering," five guys stand up.

Opening day of deer season is a church holiday.

The choir is called the "OK Chorale."

In a congregation of 200 there are just seven last names.

The people think "rapture" is what you get when you lift something too heavy.

Once there was a young lady who wanted a boyfriend. Her mom wanted to help her, so she set up a blind date for her daughter.

When the girl got back from the date she said: "That was the worst night of my life!"

"Why is that?" her mom asked.

"He owns a 1940 Ford!"

"Isn't that a good thing?"

"Mother, he's the original owner!"

Teacher: "Joe, why are you doing your multiplication on the floor?"

Joe: "Because you told me to do it without using tables."

Teacher: "Danny, at your house do you say a prayer before eating?"

Danny: "No, ma'am, we don't have to. Our mother is a really good cook."
